We still have one date available for our Advent devotional. If you are willing to help, there is a sign-up along with the selected scripture in the narthex. **Submissions are needed by Friday, November 8...PLEASE.**

The Property committee is exploring the possibility of creating space in our worship area which would be wheelchair accessible. This would likely mean the removal of a pew to accommodate a location. We are interested in the congregation's thought on this matter and welcome your opinions.
