2021 ADVENT DEVOTIONAL BOOKLET

On Wednesday evening October 20, a small group of people from St. Johns and West Kish gathered to take a closer look through the 'lens of scripture' and in particular scripture on the Nativity, to see what is revealed to us about Christ in our lives and our relationship with God. We met to explore how to express this and to encourage others in the process.

Thank you to everyone who has signed up to share their own perceptions, stories and revelations about the birth of our Lord, incarnate in our world and alive in our hearts. As you meditate and work on this, the following tips may be helpful. There are still some slots open for pages in the Advent devotional. If you would like one contact Pastor Ela and she will send or deliver one to you. Submissions are due Sunday, November 7.

TIPS and ENCOURAGEMENT for WRITING YOUR ADVENT DEVOTION

Writing a devotional is a devotion in itself. It is a way through prayer, reflection and writing to hear what God is saying to us about a particular scripture and share that inner vision with others.

When we are writing an Advent devotional in particular, we are looking through the lens of scripture on the Nativity. Advent Candles and their symbolism capture the themes of this season. Several sequences of themes are listed below.

There are two parts to the devotional: 1) a reflection and 2) a prayer based on your reflection. This may come spontaneously to you or it may take you several sittings to shape it. Here are some suggestions and guidelines which you can use if you choose. You are also welcome to create your own devotional as led. You may write it all at once, or you may want to let it percolate for awhile.

Your devotional can be as short as three sentences or as long as three paragraphs. A good way to get started is:

Read it out loud once, pausing and reflecting about what you heard;

Read it to yourself, highlighting words that stand out for you

Read again to yourself thinking about what the words you highlighted are saying to you today.

Pause to contemplate, and pray. Focus on what you think God is saying to you in this scripture today.

Summarize what you hear in the passage

Relate this to the season, one or two of the Advent themes, a personal story from your life and or someone you knew, and/or thoughts on a book, poem or film

Finish with a prayer -

- 1) name God.
- 2) praise God
- 3) ask God
- 4) end with assurance of God's purpose, power or promise, Amen (so be it.)

NOTES:

As a community dedicated to sharing the love of Christ by praying for and caring for the spiritual and physical welfare of church members and the world, our council over the past year has worked on and drafted these guidelines for Response to COVID-or other Severe Contagious Exposure in the Church.

Based on guidelines from the ELCA and aware of the continued possibility of life threatening exposure to current pathogens and unforeseen health risks in the future our council approved these common sense guidelines for our church community on October 14, 2021.

St. John's Evangelical Lutheran Church

Plan for COVID-or other Severe Contagious Exposure in the Church

1. DEFINING EXPOSURE

1. Any congregant who has been exposed to a diagnosed Covid case or other severe contagion in the past 10 days should stay home. Within a family household, if one person has had a confirmed positive test or any COVID-19 symptoms, members of that household should stay home.
2. Exposure is defined as a close contact. A 'close contact' is anyone who was within 6 feet of an infected person for at least 15 minutes starting from 48 hours before the person began feeling sick until the time the infected person was isolated.
3. If an individual who is wearing a mask properly and is in contact with an exposed or infected person who is also wearing a mask properly and both are 6ft or more away from each other the risk of exposure may be minimal. (Updates show variants may be more contagious.) This may be taken in consideration when deciding what mitigation advice to employ.
4. COVID Symptoms: The CDC has updated COVID-19 symptoms (July 2020) to include the following. Symptoms may appear 2-14 days after exposure:
 - ◇ Cough
 - ◇ Shortness of breath or difficulty breathing
 - ◇ Fever - subjective fever (feeling feverish) or temperature of 100oF or higher
 - ◇ Chills
 - ◇ Headache
 - ◇ Sore throat
 - ◇ New loss of taste or smell
 - ◇ Muscle or body aches
 - ◇ Diarrhea
 - ◇ Fatigue
 - ◇ Congestion or runny nose
 - ◇ Nausea or vomiting

If one has contracted Covid it is likely the symptoms will appear Day 5 or 6 after exposure. If symptoms do not occur by Day 7, the risk of carrying or spreading the virus may be minimal.

3. RESPONSIBILITY OF AN INDIVIDUAL WHO HAS BEEN EXPOSED.

1. If an individual who has been exposed to or tested positive for COVID-19 or a variant of the virus has attended a service or otherwise entered the church, the office should be notified. Helpful information to share includes: when the person thinks they were exposed, when they first felt symptoms, when they received results of testing, if positive who they may have been in close contact with, and when their quarantine will end.
 - ◇ During times of prevalent spread of a contagion we may maintain attendance records or photographs of Sunday attendance. When the office receives notice a church attender, member of the congregation or Day Care staff or family members have been exposed or tested positive a member of Council will be notified and will attempt to identify whether close contacts may have been made with others in the church.
2. A Close contact is anyone who was within 6 feet of an infected person for at least 15 minutes starting from 48 hours before the person began feeling sick until the time the infected person was isolated.
3. The church will notify 'close contacts' while maintaining confidentiality of the sick person when possible.
4. Anyone that has been identified as a close contact should not return to church until consulting with their physician for testing and quarantining guidance.
5. If exposure has occurred we would close off the sanctuary and other areas and not use the area until after cleaning and disinfection according to CDC guidelines
<https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>

4. RESPONSIBILITY OF THE CONGREGATION

1. Members entering the narthex and sanctuary to pick up bulletins or attend worship will observe safety precautions that are in place. It is always recommended when there is spread of contagions in our county to sit 6 feet apart and wear masks during service, particularly during singing.
2. Congregants who have tested positive for COVID will be advised not to return to the church until they have been cleared from quarantine by their physician. The individual will be asked to keep in contact with a member of council to update them on symptoms and Doctor's advice.
3. If an individual has consented to be mentioned by name, congregants are requested to pray for that individual and support them through calls and cards, as well as pray for any whom they may have been in contact with and for their friends, family and care workers.

5. SUMMARY

1. Be proactive. Do everything you can to protect yourself and others from exposure.
It is recommended that even fully vaccinated people who have come in close contact with someone with suspected or confirmed Covid-19 be tested 3-5 days after exposure and wear a mask in public indoor settings for 14 days or until they receive a negative test result.
2. If exposed or diagnosed with Covid notify office, the pastor or a council member to trace those you may have been in close contact with.
3. Pray for health, healing and wholeness for care workers, all those affected by Covid or other compromising health conditions, our community and our world.

(9:00 a.m.-5:00 p.m.)

&

Saturday, November 27, 2021

(9:00 a.m.-2:00 p.m.)

This year's show will feature some new vendors along with many returning artists and craftsmen who have been a part of the show for several years. The wearing of masks is encouraged, but optional, hand sanitizer will be available throughout the FH and there will be in-person eating along with take-out for all food being served.

Apologies...there is a change in the price and type of wreaths. The person who supplied them is not able to this year, so they are being purchased from another wholesaler. The cost of \$25 is a little higher, as they only offer wreaths with mixed greens. In addition to the wreaths we will also be offering swags for \$18.00. Each include a homemade bow with your choice of color.

If you are interested in pre-ordering either, there is sign-up in the narthex. All wreaths and swags must be picked up at the show, payment can be made at that time.

Donations of homemade soup, baked goods, candy and other treats is always appreciated. If you would like to help in this way, please sign-up in the narthex.

The show is designed to raise money for the Casey Marthouse Memorial Scholarship fund, which is used to help offset childcare costs for families in need at St. John's Daycare and Preschool. Booth rental, wreaths, all food, raffle prizes along with personal donations go directly into the fund.

We hope you will come to browse, buy, eat and visit.

Pastor Ela has been showing parts of the concert to shut ins on her computer.

- Pastor Ela requested that some of the time off she didn't get to use due to COVID could be carried over from this year. This is what West Kish agreed on concerning this issue: "Due to the unique circumstances surrounding the COVID—19 pandemic, which limited the ability to gather and travel and caused plans to change, the Session approved a one-time carry-over of the vacation time that Rev. Robertson was unable to use during the pandemic. This time may be used in the future or paid out upon retirement. Recognizing the importance of vacation time and self-care for the well-being of the pastor, the Session's strong preference is that this vacation time be used." A motion to agree with carrying over the time off was made by Joy Byler and seconded by Sue Lynch. Motion carried.

Motion to adjourn made by Sue and seconded by Denise. Motion carried. Pastor Ela provided prayer.

The next meeting will be held on October 14. 2021. It will begin at 6:30 p.m.

Respectfully submitted,
Joy Byler, Secretary
